Dear Mary, Don & Family,

I thought I would write, and let you know, your old Uncle, is still Ticking,

You can see by my above address, I am in Ohio.

After Lucille, passed away, a year ago last Aug/71. her husband Dr. Kellogg, was going to sell the house in Pueblo, and move, into a smaller apt, at his office.

I will be 87 years old next Nov 9/72 - So my Daughter Charlene & Husband, M. B. Shetter, wanted me to come and live with them, and I suppose, I will ^{be} there the rest of my life, They take very good care of me.

I am still in very good health, I do not have a pain or ache, anywhere, I go out every day, and take good walks to keep my legs in good shape, I was

still Dancing the Pubka + Play Cards
in Senior Clubs when I left Pueblo,

I left Pueblo, Last Dec 22/71,

All the Cole's Died quite young, But
the way I took, I may live to be
100, although, I hope not, I never
worry, at all, I just take each Day as
it comes, and thankfull, I have
Charlene,

I have my own zoom, TV - so I just
I have 6 Grand Children and 6 Great
Grand Children, I sold my car
before I left Pueblo,

I know your children are getting
grown up.

Do you see Sadie, Jim often, where
do they live now.

It is snowing here today, I will be glad
when hot weather comes, I am sending to
your address, that I have, I hope you get it,
I watch all the Baseball + Football games.
I do not care much about Basket ball, unless
they get in a tight, I like action,
Give My Best Regards to, Bud, Paddy's Family and
Sadie, Jim, when you see them.

I Love you all, Uncle Geo A Cole
