

6172 CHABOT ROAD

Wednesday P.M.

Dear Paddy & Phil:

I was just sitting here, half asleep, trying to get some sermons ready — & the phones ring. Who, says I to myself, is calling here at this hour? (the house is quiet after 10:00 P.M.). Paddy soon some one called me. Who, says I (to myself again) can be calling me at this hour? Western

Union - then I guessed! I am so happy.

If your dates were right things are a bit early -
but you wouldn't be Paddy, if things were
in schedule. It is so providential that

you both be together! Our Lady has her way
of taking care of things, hasn't she. I

shall say a special prayer of thanksgiving
at my Mass tomorrow. Fr.

Heaghe is over at San Rafael giving the
Alumnae Retreat - so we shall have
to wait till next week to celebrate the
arrival of our little niece. When the

operator said Mary Sharon - I was
going to say: can't we call her

Mary Patricia? I guess as junior

uncle I lose - but I still think Mary

Patricia is better : I suppose I'll
have to wait till Confirmation to get
the Patricia added.

My congratulations to you both
& my blessing to Mary - give her

a kiss for me.

A we,

P. Patrick J. Kelly, no.

I'd send a telegram but they
can't confirm - !!
God bless you
P. J. K.
