Dec 16

Dear Paddy & Phil -

Your PKG. ARRIVED today. The Sweaters Are beautiful, & The Little Girls & Thomas Allen will be Thrilled. Their XMAS Stockings, Are ALL HANGING ON THE FIREPLACE, & The Purses & Stuffed doggie Are on The shelf Above Them.

Kate Loves The hand Knitted Sweater, & will have much use of it when it Turns Cold here, which it has n't As yet, we're in The Forties daily & Above Freezing At nite. The Cotton Cardigan in Red will Give me some Class among my Peers.

THANK you so much.

My PSA is slightly elevated, & The Urologist Wants to see me in Three Months.

I have AN App't. tomorrow At The V.A. For hypertension Clinic. On The 21st I have AN App't.

For dermatology, & on the 22nd.
The same for Neurology. Last
week I broke a tooth & called
for an app't. with a dentist.
Didn't they call me at 12:20
to be there (IA City) by 2:30, of
course we went & it is repaired.
They had a cancellation.

Kate's had to work almost
every week-end since before T.
giving. Tomorrow she has a
demo on Kobe meatballs at
Jewel, & also SAT.

I sit a lot with James &
Daniel next door, between the
time Carol has to go to work,
& Kim gets home.

Well, I have to clean my-
self for the 9:15 A.M. app't.,
shave & all that stuff, so I'll
say good nite, & thank you
again for all concerned.

Love,
Hickory
